SAFETY DATA SHEET

1. Identification

Product identifier Pulmotil AC

Other means of identification

- Item Code: AH0470, MS8291

Recommended use: Veterinary Pharmaceutical

Recommended restrictions: None known.

Manufacturer/Importer/Supplier/Distributor information

Manufacturer

- Company Name: Elanco Animal Health
- Address: 2500 Innovation Way
- City: Greenfield
- State: IN
- Zip: 46140
- Phone: 1-877-Elanco1 (1-877-352-6261)
- Email: lilly_msds@lilly.com

Emergency Telephone Numbers:

- Elanco Product Technical Support / Human or Animal Exposure Reporting: 1-888-545-5973
- Transportation Emergency Telephone: CHEMTREC: 1-800-424-9300 (Outside U.S. 1-703-527-3887)

2. Hazard(s) identification

Physical hazards: Not classified.

Health hazards:

- Serious eye damage/eye irritation: Category 2B
- Sensitization, respiratory: Category 1
- Sensitization, skin: Category 1
- Specific target organ toxicity, repeated exposure: Category 2

OSHA defined hazards: Not classified.

Label elements

Signal word: Danger

Hazard statement:

- H317: May cause an allergic skin reaction.
- H319: Causes serious eye irritation.
- H334: May cause allergy or asthma symptoms or breathing difficulties if inhaled.
- H373: May cause damage to organs (Heart) through prolonged or repeated exposure.

Precautionary statement

Prevention:

- P261: Avoid breathing dust/fume/gas/mist/vapors/spray.
- P280: Wear protective gloves/eye protection/face protection.
- P285: In case of inadequate ventilation wear respiratory protection.
Response

IF ON SKIN: Wash with plenty of soap and water.

IF INHALED: If breathing is difficult, remove victim to fresh air and keep at rest in a position comfortable for breathing.

Get medical advice/attention if you feel unwell.

Storage

Not available.

Disposal

Dispose of contents/container in accordance with local/regional/national/international regulations.

Hazard(s) not otherwise classified (HNOC)

None known.

Supplemental information

None.

3. Composition/information on ingredients

Mixtures

<table>
<thead>
<tr>
<th>Chemical name</th>
<th>Common name and synonyms</th>
<th>CAS number</th>
<th>%</th>
</tr>
</thead>
<tbody>
<tr>
<td>TILMICOSIN PHOSPHATE</td>
<td></td>
<td>137330-13-3</td>
<td>25</td>
</tr>
</tbody>
</table>

Additional components are either non-hazardous and/or below required disclosure limits.

4. First-aid measures

Inhalation

Move to fresh air. Oxygen or artificial respiration if needed. Call a physician or poison control center immediately.

Skin contact

Take off contaminated clothing and wash before reuse. Wash off immediately with soap and plenty of water. Get medical attention if irritation develops and persists.

Eye contact

Immediately flush with plenty of water for at least 15 minutes. If easy to do, remove contact lenses. Get medical attention.

Ingestion

If conscious, give the victim plenty of water to drink. Never give anything by mouth to a victim who is unconscious or is having convulsions. Call a physician or poison control center immediately.

Most important symptoms/effect, acute and delayed

Irritating to eyes. Allergic reactions in a manufacturing setting have been reported. Allergy symptoms may include skin rash, watery eyes, shortness of breath, nasal congestion, coughing, and wheezing.

Compounds of similar structure have been reported to cause transient alterations in heart rate. (Tilmicosin Phosphate)

Indication of immediate medical attention and special treatment needed

None known.

General information

In the case of accident or if you feel unwell, seek medical advice immediately (show the label where possible).

5. Fire-fighting measures

Suitable extinguishing media

Unsuitable extinguishing media

Do not use water jet as an extinguisher, as this will spread the fire.

Specific hazards arising from the chemical

Fire or excessive heat may produce hazardous decomposition products.

Special protective equipment and precautions for firefighters

Wear self-contained breathing apparatus and protective clothing.

6. Accidental release measures

Personal precautions, protective equipment and emergency procedures

Keep unnecessary personnel away. See Section 8 of the SDS for Personal Protective Equipment. Avoid contact with skin, eyes and clothing. Wear suitable protective clothing, gloves and eye/face protection.
Methods and materials for containment and cleaning up

Local authorities should be advised if significant spillages cannot be contained. Remove sources of ignition.

Large Spills: Stop the flow of material, if this is without risk. Dike the spilled material, where this is possible. Cover with plastic sheet to prevent spreading. Absorb in vermiculite, dry sand or earth and place into containers. Sweep up or vacuum up spillage and collect in suitable container for disposal. Prevent entry into waterways, sewer, basements or confined areas. Following product recovery, flush area with water.

Small Spills: Wipe up with absorbent material (e.g. cloth, fleece). Clean surface thoroughly to remove residual contamination.

Never return spills in original containers for re-use. For waste disposal, see section 13 of the SDS.

Collect in a non-combustible container for prompt disposal. Large Spillages:

Small Spillages:
Use absorbent/adsorbent material to solidify liquids.

Prevent further migration into the environment. Use absorbent/adsorbent material to solidify liquids. Large spills due to traffic accidents, etc., should be reported immediately to CHEMTREC and Elanco Animal Health for assistance.

Environmental precautions

Prevent further leakage or spillage if safe to do so. Avoid discharge into drains, water courses or onto the ground. Prevent spilled material from flowing onto adjacent land or into streams, ponds, or lakes.

7. Handling and storage

Precautions for safe handling
Keep away from heat and sources of ignition. Wash hands thoroughly after handling. Avoid release to the environment. Avoid contact with eyes, skin, and clothing.

Conditions for safe storage, including any incompatibilities
Keep container tightly closed in a dry and well-ventilated place. Store away from incompatible materials (see Section 10 of the SDS). Store at room temperature. Do not store in open or unlabelled containers.

8. Exposure controls/personal protection

Occupational exposure limits No exposure limits noted for ingredient(s).

Exposure guidelines Lilly Exposure Guideline (LEG): 12 hour TWA <100 ug/m3 (Tilmicosin)

Biological limit values No biological exposure limits noted for the ingredient(s).

Appropriate engineering controls Use appropriate control measures such as fume hood, ventilated enclosure, local exhaust ventilation, or down-draft booth.

Individual protection measures, such as personal protective equipment

Eye/face protection
Wear goggles/face shield.

Skin protection
Chemical-resistant gloves and impermeable body covering to minimize skin contact.

Hand protection
Chemical-resistant gloves and impermeable body covering to minimize skin contact.

Other

Respiratory protection
Use an approved respirator. Select appropriate respirator for physical characteristics of material. Select respirator with appropriate protection factor.

Thermal hazards
Not available.

General hygiene considerations
NOT INTENDED FOR HUMAN USE. Use good industrial hygiene practices in handling this material.

In a manufacturing setting, wear chemical-resistant gloves and body covering to minimize skin contact. If handled in a ventilated enclosure, as in a laboratory setting, respirator and goggles or face shield may not be required. Safety glasses are always required.

Under normal use and handling conditions, wear goggles to protect eyes and wear impermeable gloves and protective equipment to avoid direct contact with skin. Wash thoroughly with soap and water after handling.

9. Physical and chemical properties

Appearance Solution.

Physical state Liquid.

Form Liquid.

Color Yellow to Amber.
Odor	Sweet. Pungent.
Odor threshold	No data available.
\( pH \)	3.5 - 5.5
Melting point/freezing point	No data available.
Initial boiling point and boiling range	No data available.
Flash point	No data available.
Evaporation rate	No data available.
Flammability (solid, gas)	No test data available.
Upper/lower flammability or explosive limits
Flammability limit - lower (%)	No data available.
Flammability limit - upper (%)	No data available.
Explosive limit - lower (%)	No data available.
Explosive limit - upper (%)	No data available.
Vapor pressure	No data available.
Vapor density	No data available.
Relative density	No data available.
Solubility(ies)
Solubility (water)	Soluble
Partition coefficient (n-octanol/water)	No data available.
Auto-ignition temperature	No data available.
Decomposition temperature	No data available.
Viscosity	No data available.
Other information
Density	No data available.
Explosive properties	Not explosive
Oxidizing properties	No data available.
Percent volatile	No data available.
VOC (Weight %)	No data available.
9.2. Other information
Minimum Ignition Temperature	No data available.
10. Stability and reactivity
Reactivity	Not available.
Chemical stability	Stable at normal conditions.
Possibility of hazardous reactions	Hazardous polymerization does not occur.
Conditions to avoid	None known.
Incompatible materials	Strong oxidizing agents.
Hazardous decomposition products	Fire or excessive heat may produce hazardous decomposition products.
11. Toxicological information
Information on toxicological effects
Acute toxicity
Tilmicosin (CAS 108050-54-0)

**Acute**

<td>Inhalation</td>
<td>Rat</td>
<td>3800 mg/m3, 4 h</td>
</tr>
</tbody>
</table>

**LD50 Rat**

- Oral: 855 mg/kg (fasted)
- Other: > 185 mg/kg Subcutaneous: coma, lethargy, incoordination, reduced activity.

**Skin corrosion/irritation**

- Rabbit: No irritation (Tilmicosin)
- Remaining ingredients: Not classified.
- Based on available data, the classification criteria are not met.

**Serious eye damage/eye irritation**

- Rabbit: Irritating. (cleared within 7 days) (Tilmicosin)

**Respiratory or skin sensitization**

**Respiratory sensitization**

- Allergic reactions in a manufacturing setting have been reported. (Tilmicosin Phosphate)

**Skin sensitization**

- No allergic reactions in a manufacturing setting have been reported. (Pulmotil Aqueous Concentrate)
- Allergic reactions in a manufacturing setting have been reported. (Tilmicosin Phosphate)

**Germ cell mutagenicity**

- In vitro and in vivo tests did not show mutagenic effects. (Tilmicosin)
- Remaining ingredients: Not classified.
- Based on available data, the classification criteria are not met.

**Carcinogenicity**

- No ingredients present at 0.1% (one-tenth percent) or greater are listed by IARC, NTP, ACGIH, or OSHA.

- Not listed.

**Reproductive toxicity**

- Slight increase in offspring mortality at maternally toxic doses. (Tilmicosin Phosphate)
- Remaining ingredients: Not classified.
- Based on available data, the classification criteria are not met.

**Specific target organ toxicity - single exposure**

- Due to lack of data the classification is not possible.

**Specific target organ toxicity - repeated exposure**

- Heart effects (increased heart weight and size, heart muscle degeneration characterized by small areas of cell death, severe and persistent increase in heart rate with changes in electrocardiogram ST, Q, and T wave forms occurred generally at higher oral or injection doses where some mortality occurred), liver effects (increased liver weight and enzyme activity). (Tilmicosin Phosphate)

**Aspiration hazard**

- No aspiration toxicity classification.

**Further information**

- Increased adrenal and kidney weights, increased cell size in adrenal cortex, mucosal edema of the gallbladder, and subretinal fluid accumulation. Decreased food consumption and body weight gains, slightly decreased urine pH, occult blood in urine, increased serum alanine transaminase. (Tilmicosin Phosphate)

**12. Ecological information**

**Ecotoxicity**

- Very toxic to aquatic life with long lasting effects.

**13. Disposal considerations**

**Disposal instructions**
- Do not allow this material to drain into sewers/water supplies. Dispose of contents/container in accordance with local/regional/national/international regulations.
14. Transport information

General information
Effective January 1, 2015 by Special Provision, UN3077 and UN3082 when packaged in inner packages of 5L / 5 KG or less are not subject to the dangerous goods regulations.

DOT
Not regulated as dangerous goods.

IATA
| UN number | UN3082 |
| UN proper shipping name | Environmentally hazardous substance, liquid, n.o.s. (TILMICOSIN PHOSPHATE) |
| Transport hazard class(es) | |
| Class | 9 |
| Subsidiary risk | - |
| Packing group | III |
| Environmental hazards | Yes |
| ERG Code | 9L |
| Special precautions for user | Not available. |

Other information
| Passenger and cargo aircraft | Allowed. |
| Cargo aircraft only | Allowed. |

Marine pollutant
15. Regulatory information

**US federal regulations**

This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

**TSCA Section 12(b) Export Notification (40 CFR 707, Subpt. D)**

Not regulated.

**CERCLA Hazardous Substance List (40 CFR 302.4)**

Not listed.

**SARA 304 Emergency release notification**

Not regulated.

Not listed.

**Superfund Amendments and Reauthorization Act of 1986 (SARA)**

- **Hazard categories**
  - Immediate Hazard - Yes
  - Delayed Hazard - Yes
  - Fire Hazard - No
  - Pressure Hazard - No
  - Reactivity Hazard - No

**SARA 313 (TRI reporting)**

Not regulated.

**Other federal regulations**

- **Clean Air Act (CAA) Section 112 Hazardous Air Pollutants (HAPs) List**
  Not regulated.

- **Clean Air Act (CAA) Section 112(r) Accidental Release Prevention (40 CFR 68.130)**
  Not regulated.

- **Safe Drinking Water Act (SDWA)**
  Not regulated.

**US state regulations**

- **US. California Controlled Substances. CA Department of Justice (California Health and Safety Code Section 11100)**
  Not listed.

- **US. Massachusetts RTK - Substance List**
  Not regulated.

- **US. New Jersey Worker and Community Right-to-Know Act**
  Not listed.

- **US. Pennsylvania Worker and Community Right-to-Know Law**
  Not listed.

- **US. Rhode Island RTK**
  Not regulated.

- **US. California Proposition 65**
  California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): This material is not known to contain any chemicals currently listed as carcinogens or reproductive toxins.

**International Inventories**
