GlucoGauge Blood Glucose Monitoring Kit

Henry Schein Animal Health is proud to offer our species specific Vet GlucoGauge Blood Glucose Meter as another high-quality, cost-effective alternative to the market’s leading manufacturer brands.

- Specifically calibrated for cats and dogs with an easy one button switch between species – no species coding required
- It’s the only pet meter on the market with positive visual confirmation of the species being tested
- Includes species-specific results and verification during testing, in the results screen and in memory
- Only a small sample size is needed (.3uL) and get test results in 5 seconds
- Accurate and precise results: Relative difference of 3.4% for dogs and -.2% for cats compared to the leading brand relative difference of 8.4% for dogs and 9.5% for cats*

**KIT INCLUDES**
- 1 GlucoGauge Blood Glucose Meter
- 1 GlucoGauge Owner’s Manual
- 1 GlucoGauge Quick Reference Guide
- 25 GlucoGauge Blood Glucose Test Strips
- 1 GlucoGauge Control Solution
- 1 Lancing Device
- 30 Lancets
- 1 Carrying Case
