

# PARTNERS IN PROTECTION<sup>®</sup>

Brought to you by Boehringer Ingelheim.

Seeing animals getting adopted can be the most rewarding part of the work you do. We're here to assist you in your efforts and invite you to join us.

# As your *Partners in Protection*<sup>®</sup>, we're here to back you.

When you work with us through the *Partners in Protection* program, you'll have trusted products, savings and support to help you improve the health of the animals you love and care for.

on Boehringer Ingelheim's portfolio of products.

## Support your new pet owners.

Before they take their pets home, give owners a free copy of the *Welcome Home Guide*. It includes sound advice on the importance of veterinary visits and preventive care, as well as valuable coupons for pet owners. These coupons are redeemable at local veterinary clinics wherever the products are sold.

A lifetime of care, for the love you'll share.

**A WELCOME HOME GUIDE.**

VALUABLE OFFERS INSIDE.

# Eligibility Requirements

## PARTNERS IN PROTECTION® SHELTER PROGRAM - ELIGIBILITY REQUIREMENTS

- Only licensed animal shelters in the fifty (50) United States or the District of Columbia with 501(c)(3) status or that are publicly supported animal care and control agencies with total animal intake volume, for dogs and cats, of at least 1,000 in 2017 (each an "Eligible Shelter") are eligible to participate in this Partners in Protection® Shelter Program ("PIP").
- To receive the discounts available in the PIP, an Eligible Shelter must execute the Partners in Protection® Shelter Program Participation Agreement for Discounts or such other agreement provided by Merial and complete the PIP Shelter Intake Form. These documents are available from a Boehringer Ingelheim Sales Representative.
