

REScue®

For Veterinary Use

CONCENTRATE

Deliberately Different.™

For use in:

- Animal housing facilities and areas
- Animal shelters and kennels
- Animal life science laboratories
- Grooming & pet housing facilities
- Pet stores
- Transportation vehicles
- Veterinary practices and offices, surgical suites & treatment facilities
- Other small animal facilities

For use on:

- Animal crates & carts
- Automatic feeders
- Counters, exam tables & other hard surfaces
- Diagnostic & laboratory equipment
- Dog runs
- Food & water bowls
- Grooming & handling equipment
- Non porous harnesses and leashes
- Transportation crates & vehicles

Claims

5 Minutes @ 1:16 Dilution
(Bactericidal, Fungicidal)

5 Minutes @ 1:16 to 1:64 Dilution
*(Virucidal)

3 Minutes @ 1:128 Dilution
(Non-Food Contact Surface Sanitizer)

Shelf Life

3 Years, 90 Days Diluted (meets stability testing for up to 90 days after dilution with tap water)

Concentrate One Step Disinfectant Cleaner & Deodorizer formulated with

Faster Superior speed of disinfection, proven to deliver superior kill performance with contact times that are 50% faster against a broad-spectrum of organisms

Cleaner One-Step Disinfectant Cleaners with powerful surfactants (detergents) simplifying sanitation of animal environments saving time and money

Responsible Designed to be easier on surfaces, people and animals. Users are not exposed to VOCs (volatile organic compounds) and in-use solution does not require the use of PPE

Sustainable Hydrogen peroxide breaks down into water and oxygen reducing environmental impact and improving the environment for animals and the people who care for them

Compatible Designed to be compatible with a wide range of materials

AVAILABLE PRODUCTS

Rescue™ Concentrate One Step Disinfectant Cleaner & Deodorizer

EPA Reg. No. 74559-4
EPA Est. No. 74559-CAN-1

- Format Size:** 1.32 G RTD
Product Code: 23308
Packaging Specifications: 1x1.32 G RTD
- Format Size:** 1 Gallon Bottle
Product Code: 23305
Packaging Specifications: 4x1 G
- Format Size:** 5 Gallon Pail
Product Code: 23309
Packaging Specifications: 1x5 G Pail
- Format Size:** 30 Gallon Drum
Product Code: 23310
Packaging Specifications: 1x30 G Drum
- Format Size:** 55 Gallon Drum
Product Code: 23311
Packaging Specifications: 1x55 G Drum

Recommended Applications & Dilutions for Animal Housing Facilities

Area	Dilution	Contact Time	Description
Non-Animal Related Hallways and Offices	1:128 (1oz/gal)	3 Minutes	Non-Food Contact Sanitization
Daily care of all Animal Housing Areas and Enclosures	1:64 (2oz/gal)	5 Minutes	*Virucide for all listed viruses except *Canine Parvovirus and *Minute virus of mice
High Risk / Quarantine areas and once / week deep cleaning of all Animal Areas and Enclosures**	1:32 (4oz/gal)	10 Minutes	*Virucide for all listed viruses except *Minute virus of mice
Confirmed Disease / Outbreak Conditions	1:16 (8oz/gal)	5 Minutes	*Virucide for all listed Viruses

*see product label for claims and use directions

**perform deep clean prior to a new animal going into any kennel or enclosure

***not yet available in all states

One Health™

ACCELERATED® HYDROGEN PEROXIDE

disinfectants protecting Patented

Animals + Humans + Planet

Everyday. Everywhere.

Virox Technologies Inc. is committed to innovating, developing, and improving peroxide based, environmentally sustainable cleaners and disinfectants to improve the health of animals and humans all the while reducing their environmental impact. This is why **One Health™** is at the core of all our initiatives.

As a technology, Accelerated Hydrogen Peroxide® (AHP®) was designed to be Deliberately Different™ and is formulated for use on skin, surfaces and devices, protecting the health of animals, humans and the planet.

AHP® provides **faster disinfection** against hard to kill germs, **superior cleaning** for efficient removal of soils, and **unparalleled health, safety, and environmental** profiles.

We believe claims of product environmental sustainability should be validated by credible third party certification. Today, we have multiple product lines that meet both industry and government requirements to be labeled a “green” product along with many awards, certifications, and recognitions endorsing Accelerated Hydrogen Peroxide® (AHP®) technology. **Together, we can make a difference.**

Approved as the FIRST DfE hospital grade, hydrogen peroxide disinfectant.

Validated by Greenguard an industry-independent, third-party testing program for low-emitting products and materials.

Approved as the FIRST Ecologo registered Disinfectant Cleaner.

Certified by Green Seal, provider of science-based environmental certification standards that are fair, unbiased, and credible.

The Presidential United States Environmental Protection Green Chemistry Challenge Agency Awards Program.

ISO certification from BSI, for operating an Environmental Management System compliant with the requirements of ISO 14001:2004.

Recognized by the EPA as a Champion in the Design for the Environment Program's Safer Detergents Stewardship Initiative (SDSI).

Winner of the 2016 Safer Choice Partner of the Year Award for Innovation by the Safer Choice/DfE program.

First chemical manufacturer to receive LEED certification for a chemical manufacturing facility.
