*Special Joint Health tiered pricing is good for products billed and shipped on one invoice. All other purchases, including program 3% bonus rebate qualification minimums for each category, are cumulative as long as they are shipped and invoiced during the promo period of March 18-April 30, 2019. Boehringer Ingelheim has the right to end or modify the program in whole or in part (including the removal or addition of specific products or premiums) at anytime without notice. The program is available only to participating veterinarians with valid veterinary client-patient relationships.

Program Rules:

- The program is available only to participating veterinarians with valid client-patient relationships.
- Accounts participating in any equine pricing agreements are not eligible for rebates/discounts on products within their existing pricing agreements. Product purchases outside of the pricing agreement qualify for both the program and bonus rebates.
- Boehringer Ingelheim has the right to end or modify this program in whole or in part (including the removal of specific products or premiums) at anytime without notice.
- An additional 3% bonus rebate is earned on vaccine and gastric health products only, with the following minimum purchase levels in both categories:
 - Minimum of \$2,000 in vaccine purchases.
 - Minimum of \$3,500 in EGUS products.
- Rebates paid six to eight weeks after program ends.
