Veterinarian Rebate Program

Eligible Customers: Veterinarians

Program Timing: May 1 – June 30, 2019

GENERAL PROGRAM RULES:

- Only veterinarians are eligible for this program.
- Program rebates are in addition to other Boehringer Ingelheim (BI) programs for qualified accounts.
- Program period: May 1 – June 30, 2019.
- Rebate checks will only be issued for amounts over \$40 and will be paid at the end of the program period. Allow six weeks for processing.
- This promotional-incentive rebate is offered for sales in support of BI's independently driven business plan. Rebate requests may require resale information to verify rebate eligibility.
- Sales to other channel resellers disqualify a veterinarian's eligibility for all rebates.
- BI reserves the right to end or modify the program, in whole or in part (including the removal or addition of products or product lines), at any time without notice.
- Veterinarians enrolled in special BI pricing programs are NOT eligible for this rebate offer.
- Free product will ship separately. Please allow six to eight weeks for processing.
